

GGI/HALDIA  
DATED- 25<sup>TH</sup> April'17.

## GLOBAL GROUP OF INSTITUTIONS

# NOTICE

Attention is drawn from all the students of BHM 4<sup>TH</sup> Sem. that as we know about the Technical Education & its importance, employment opportunity, condition of employer, it's being more important to prepare & produce "PROJECT REPORT" by every individual that implies their skills, knowledge, creative thoughts.

In this regard, you're advised to submit the Project Report in both soft & hard copies within 5<sup>th</sup> May'17 as technical courses require practical exposure & its applications which are finally considered the preparation report for presentation & assessment.
